

Windsor Yacht Club traditions

In addition to the Club's official By-laws and House and Yards and Dock Rules, there are certain traditions observed in the Club including, in no particular order:

1. Gentlemen do not wear hats in the clubhouse. When or if this occurs, the bartender will ring a bell and the "offender" will be obliged to treat those in attendance on the occasion. Exceptions to this rule may be made on medical or religious grounds.
2. The three parking spots on the east side of the parking lot closest to the clubhouse main entrance are reserved for the Commodore, Vice Commodore and Rear Commodore.
3. Behind the bar, there are four vertical lights denoting the various flag officers of the Club as follows:
 COMMODORE
 VICE COMMODORE
 REAR COMMODORE
 PAST COMMODORES

These lights are illuminated when any of the above are in attendance at the Club.

WINDSOR YACHT CLUB FLAG ETIQUETTE

Commodores dining shall have a small flag placed on their table recognizing their position.

The Canadian flag at the club shall be lowered to half-mast upon receiving information of the death of a Member or spouse/partner of a Member. The flag will remain at half-mast until the day following memorial services. This shall apply to present Members of all classes, including spouses/partners of Members and to all Past Commodores and spouses/partners.
