- 1) RRS 3 states: 'The responsibility for a boat's decision to participate in a race or to continue to race is hers alone.' By participating in this event each competitor agrees and acknowledges that sailing is a potentially dangerous activity with inherent risks. These risks include strong winds and rough seas, sudden changes in weather, failure of equipment, boat handling errors, poor seamanship by other boats, loss of balance on an unstable platform and fatigue resulting in increased risk of injury. Inherent in the sport of sailing is the risk of permanent, catastrophic injury or death by drowning, trauma, hypothermia or other causes.

To this extent, the skipper also accepts full responsibility for the crew. The skipper is responsible for the qualification and the correct nautical conduct of the crew and the suitability and the transport-safe-condition of the registered boat. The WYC or the WYC Race Committee will not accept any liability for material damage, personal injury, or death sustained in conjunction with, before, during, or after the Wednesday Night Race Series.
